Don't miss this
event!

An experienced speaker, workshop leader, and consultant, Devorah Heitner, PhD founded Raising Digital Natives to nurture a culture of responsible digital citizenship in schools and organizations. Dr. Heitner has spoken at SXSWedu, TEDx, NAIS, ICTL Singapore, ISTE, Google, and numerous other conferences, schools and corporations. Her keynotes engage audiences with fresh insights about digital natives, communication across the generations and growing up in the digital age. *Screenwise: Helping Kids Thrive (and Survive) in the Digital Age* is out now wherever books are sold.

Dr. Heitner has a Ph.D. in Media/Technology/Society from Northwestern University and has taught at DePaul and Northwestern as well as consulting with numerous independent and public schools. Her *Connecting Wisely* curriculum is used by schools to foster a social/emotional approach to digital citizenship. She is delighted to be raising her own digital native.
